Lesson 04: Website Planning Document

Site Purpose: To deliver accurate weather information and updates for the areas of Franklin, Greenville and Springfield. So that individuals can be more prepared for the weather, whatever it may be. It will also provide storm information which includes but is not limited to current storm patterns and warnings, storm history in the area and tips on how to be prepared.

Moto: "We share so you can prepare."

Target Audience: Adults, ages 25 to 35, both male and female, with bachelor's degrees or higher, of varying incomes and interests.
